

CONTENTS

Volume 7, Number 4, 2023 December

ASSESSMENT OF ECOSYSTEMS AND THEIR COMPONENTS

- Environmental Consequences of the Creation and Operation of Reservoirs
in the Steppe Zone [in Russian; Abstract is available in Russian and English]
V.I. Danilov-Danilyan, N.M. Novikova, O.G. Nazarenko 5-28
- Water Resources of the Republic of Kalmykia: Their Current State and Usage
[in Russian; Abstract is available in Russian and English]
S.S. Ulanova 29-58
- Current State, Growing Conditions and Restoration of Ravine Plant Communities
in the Lake Elton Biosphere Reserve (Volgograd Region)
[in Russian; Abstract is available in Russian and English]
A.V. Bykov, A.V. Kolesnikov, Yu.D. Nukhimovskaya, Ye.B. Varlamov 59-85
- Current State, Growing Conditions and Restoration of Ravine Plant Communities
in the Lake Elton Biosphere Reserve (Volgograd Region)
[in English; Abstract is available in English and Russian]
A.V. Bykov, A.V. Kolesnikov, Yu.D. Nukhimovskaya, Ye.B. Varlamov 86-110
-

CONDITION AND FUNCTIONING OF AGROECOSYSTEMS AND THEIR COMPONENTS

- Adaptiveness of Spring Wheat Based on Some Parameters of Grain Quality
of the New Varieties from the Far Eastern Breed
[in Russian; Abstract is available in Russian and English]
N.M. Terekhin, L.N. Mishchenko, M.V. Terekhin 111-125
- Adaptiveness of Spring Wheat Based on Some Parameters of Grain Quality
of the New Varieties from the Far Eastern Breed
[in English; Abstract is available in English and Russian]
N.M. Terekhin, L.N. Mishchenko, M.V. Terekhin 126-139
-

DYNAMIC OF ECOSYSTEMS AND THEIR COMPONENTS

- Ornithocomplexes of Artificial Reservoirs in the Central and Southern Russia
under the Changes in Anthropogenic and Climatic Impacts
[in Russian; Abstract is available in Russian and English]
I.B. Shapovalova 140-176
-

DISTRIBUTION AND PROTECTION OF ECOSYSTEMS AND THEIR COMPONENTS

- Ecological and Literary Trails of the Northern Moscow Region
[in Russian; Abstract is available in Russian and English]
O.S. Grinchenko 177-198
